Global Billion Dollars Advertising Venture Opportunity (Aimed)

A REVOLUTIONARY INTERNET VENTURE: JV OR ACQUISITION

BUYERS OR PARTNERS WANTED

JV / Acquisition Includes:

- 1. LLC**
- 2. Web Site**
- 3. Domain**
- 4. Tsiyoni's Architectural Web Design**

This is a once in life time opportunity, which may change the life of all owners, partners, and the company. This is a multi-billion dollars project (venture), so please kindly consider my proposal.

The nature of the concept is a unique advertising venture, which is superior. I have developed, and I am the architect of the website, but my professor built it.

We should be No. 1 in the world in the general area of INTERNET ADVERTISEMENT. I cannot specify more now, only after **NDA**, yet, based on my reputation and experience, trust me this is HUGE.

More details when we speak, pending NDA when appropriate.

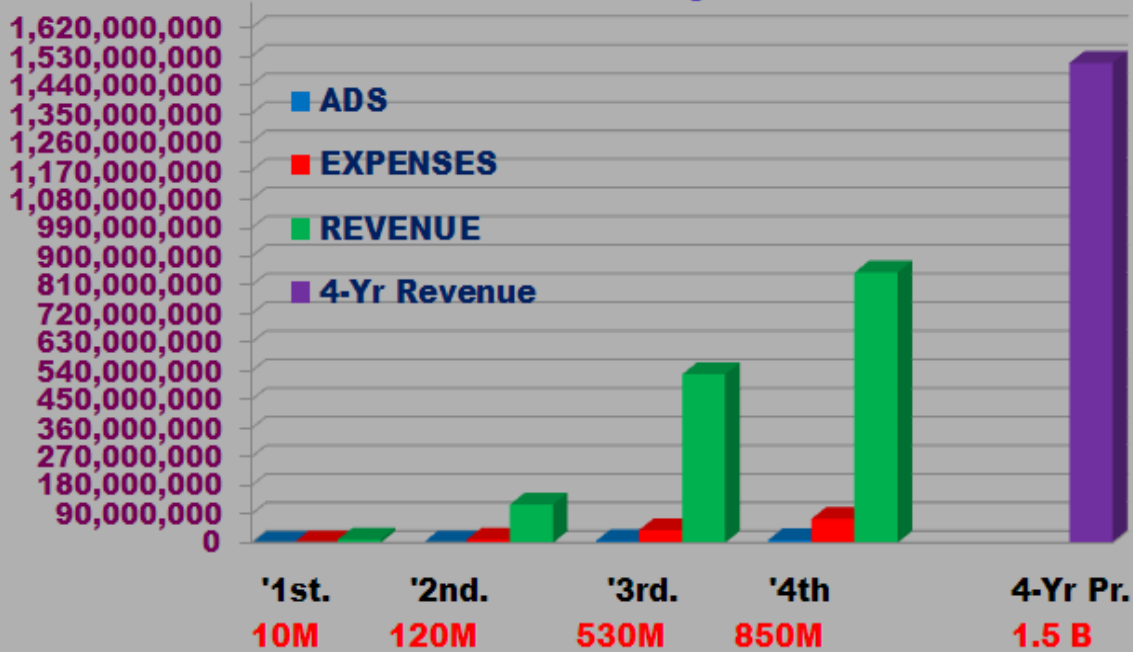

A good partner would be an IT/Web Design company, or an investor with appropriate fund.

A buyer of the venture will also get the website.

WE ARE LOOKING FOR:

- 1. An active IT/ Web design partner by operating the web site and/or the server**
- 2. An investor**
- 3. A buyer for the business, website, domain, venture, invention.**

DA WEB ADVERTISEMENT VENTURE 4-Year Projection

To proceed with this opportunity:

Please kindly send your information, name, email, company's legal name and address, your position, website, land line phone number, cell phone, and what is your interest (private? Business JV, etc.).

The ideal purchaser or partner will be an IT company, or an investor with appropriate fund. In addition, please visit our site to see 10 patents and inventions sold by owner.
